

SCHOOL SUPPLIES

Parent/Guardians of children in grades 4-7 are required to purchase school supplies in the interests of efficiency and convenience through the school **Edupac** program.

Forms will be sent home with your child(ren).

You can order online at www.edupac.ca OR you can fill up the order form and return it with credit card payment or by cheque.

Ordering information is on the order form.

*Be aware that part of the proceeds from our decision to order school supplies in this manner goes towards defraying other expenses - including higher technology costs. It is not, in fact, technically a 'fundraiser' but it does help.

**Parents of students in grades K-3 are not required to purchase supplies. You have submitted a fee as part of your registration from which we buy the supplies for you in bulk, thus saving you time and money.
